All appliance orders will be selected with Sears, and pricing will come from Alicia Warren (Norris Homes, Inc.). An appliance quote must be signed with Alicia Warren, otherwise standard appliances will be ordered. Please note you may incur charges for additional HVAC or electrical work. Buyers are not allowed to supply any appliances that come standard with the home, NO EXCEPTIONS.

CR FLOORS**Nanci Bussoli****253.681.6114 Direct****253.838.1020 Showroom**

Overages are paid directly to CR Floors. Pricing takes approximately 2-5 weeks. Interior design takes place here. Exterior colors are recorded here. If you leave CR Floors without making exterior paint color selections, they will do so for you. Call to schedule your meeting when framing begins. (Hardwood flooring, cabinets, masonry, paint, and granite slab changes go through Norris Homes, Inc. The buyer must contact the office for any changes to these materials.)

HUNTWOOD CABINETS**Tom Coacher****206.301.9323 Office**

Overages are paid to Norris Homes, Inc. as an upgrade charge. Cabinet layout is chosen here. Please call during the middle of framing if you plan on making cabinet changes. Meeting needs to take place at end of framing. No signatures will be required for overages, but the buyer must verbally approve changes directly with Ron, otherwise standard cabinet package will be ordered.

PRECISION ELECTRIC**TAYLOR ELECTRIC**

Overages are paid to Norris Homes, Inc. as an upgrade charge. Your superintendent should help set up a walk through with you, should you choose to make changes. Please tell your superintendent during framing, if you plan on needing an electrical walk through. Please bring your electrical options price list to your meeting, and keep tally of your overages. The electrician may require a signature for extras.

Product Selection Contact List (Continued)**PREMIER SOUND****Ben Barb****206-226-3265 Cell**

Overages are paid to Norris Homes, Inc. as an upgrade charge. Low voltage includes wiring for telephones, television and security. Speakers, sound systems, and Internet would be upgraded here. This happens following framing, close to the time of your electrical walk through. No signatures will be required for overages, but the buyer must verbally approve changes directly with Ben, otherwise standard low voltage package will be ordered.
